ASD(RA)

SUBJECT: Issuance of Military Emergency Travel Warrant

References: (a) Title 10, United States Code
(b) Title 14, United States Code

A. PURPOSE

This Directive authorizes the issuance of the Military Emergency Travel Warrant (METW) during a mobilization of the Individual Ready Reserve (IRR), certain retired military members, Standby Reserve, and, if practicable, Individual Mobilization Augmentees (IMAs), for active duty in the Armed Forces under Section 672 or 673 of reference (a); and prescribes DD Form 2399, "DoD Military Emergency Travel Warrant" (enclosure 2), for that purpose.

B. APPLICABILITY

This Directive applies to the Office of the Secretary of Defense (OSD), the Military Departments, the Department of Transportation (DoT), and the Coast Guard when it is not operating as a Service in the Department of the Navy.

C. DEFINITIONS

The terms used in this Directive are defined in enclosure 1.

D. POLICY

In emergency situations, it may be impractical to issue Government Travel Requests (GTR) to mobilized members of the IRR, Standby Reserve, IMAs, and certain retired military members. Accordingly, arrangements have been made with the nation's commercial transportation facilities (air, rail, and bus) to provide transportation of members to the military duty station in exchange for DD Form 2399. The METW is to be used in the event of a national emergency or military mobilization.

E. RESPONSIBILITIES

1. The Assistant Secretary of Defense (Reserve Affairs) (ASD(RA)) is the DoD proponent for the METW form.

2. The Secretary of the Army is responsible for liaison with commercial transportation carriers to coordinate procedures and gain acceptance for emergency use of the METW.

3. The Secretaries of the Military Departments and the Department of Transportation (DoT) shall ensure that:

- a. Policies are established for issuing METW in the most expeditious manner necessary for the circumstances.
- b. Adequate "M Day" stocks of the METW are maintained for contingencies.

F. PROCEDURES

1. The METW and mobilization order shall be issued to the mobilized member.
2. The METW may be issued in automated form as part of a mobilization order processed by a public communications carrier or as a pre-printed form (DD Form 2399) through direct mail with an accompanying order from the respective Military Service.
3. The mobilized member must present to the carrier furnishing transportation the METW, mobilization order, and personal identification (to verify the traveler's identity).

G. EFFECTIVE DATE AND IMPLEMENTATION

This Directive is effective immediately. Forward two copies of implementing documents to Assistant Secretary of Defense (Reserve Affairs) within 120 days.
